or email rachel@congregationalbert.org

Fifth Night is a fun and simple way for children to participate in *tzedakah* (charity) by giving one night of Hanukkah gifts to another child in need. Coming together to celebrate and donate helps our children learn how their giving impacts others, and makes the holiday even more meaningful. Together, we are also able to make a more significant contribution to a charity in need.

This year's "Fifth Night at Congregation Albert" is especially planned for young children and their families. We are asking for donations of new, unwrapped toys for children up to age 17 and new or gently used coats in all sizes, that will be given to help children and families in need.

Hosted by Congregation Albert, this child-focused program will include music, a holiday craft, Hanukkah candle lighting, gift donation, light dessert, and fun!
